

# Consignment Themed T-shirts That Sell!

Let's Make it Easy for our Customers to Tell the World How COOL Consignment Shopping Is!

Your customer already 'gets it', so help them promote resale by selling them a great looking consignment/resale-themed t-shirt! You'll make money selling the shirts and your customers will be spreading the word for you. It's a win-win for everyone!

Select your favorite Consignment Chic t-shirt or mix and match for more selection for your clients. Our shirts are 100% pre-shrunk, ring-spun cotton (which means they are really soft), tapered, not boxy, (but not too fitted) and long enough to cover the waistband without showing skin. They are private branded with Consignment Chic in the neck label which helps you get a higher price for them. Suggested retail is \$20. Fit is true to size except 2X and 3X fit like 1X and 2X in women's sizes.

The preferred minimum order is 1 dozen, but you can assort however you choose from any of the styles to the right.
